## STUDENTS PLEASE KEEP THIS PART OF APPLICATION

**\*Please note:** After taking the **NC Medication Aide Program** and you desire employment as a Medication Aide in a (Skilled) Long-term Care Facility, you must be presently certified and listed on the NC Division of Health Service Regulation, Raleigh, NC as a Nursing Assistant I. We can check the website for a copy of your certification at the time you register for this program)

(website: [www.ncnar.org](http://www.ncnar.org))

\*If you are not presently Certified as a Nursing Assistant I, and would like to work in a Skilled Nursing Home Facility; you must become certified as a NA I with DHSR, Raleigh, NC.

Certified Nursing Assistants from other states must competency test through NACES/Pearson Vue to get listed on the NC State Registry. They may take the Nursing Assistant I Refresher course (48 hrs.) or Nursing Assistant I course (144 hrs.) then test with NACES/Pearson Vue or they may choose to E4(Challenge) with NACES/Pearson Vue.

*After completion of this Medication Aide Program, you will complete an application for Exam Testing through Pearson Vue. You will be required to complete the application, pay a \$50.00 fee, pay by (money order, certified check, or company check) and present a signed copy of your US government Social Security Card, a photo I.D., and your training completion certificate.*

*Pearson Vue # is 1-888-204-6207 ([www.PearsonVue.com](http://www.PearsonVue.com))*
