IN-SERVICE CALENDAR

The following is the in-service training calendar for **June 2008-December 2008**. If you need any further information regarding these and other future training, please call (252)493-7742/7238 ... or you can e-mail at: pccfire@email.pittcc.edu

REGISTRATION INFORMATION

- Location: Classes will be held at the Local Fire Department indicated.
- For general PCC information, log on to www.pittcc.edu

The 2008 Fire Service Training Schedule can be obtained online at http://www.pittcc.edu/continuing-education/programs/public_safety_training/fire_rescue/. High School Students and anyone not 18 years of age **MUST** complete and turn into the Instructor a **HIGH SCHOOL RELEASE FORM** for each class they take. This form must be turned over to the Instructor prior to the class's conclusion. **No one under the age of 18 will receive Certification Credit for any class deemed hazardous under Child Labor Laws and North Carolina Occupational Health and Safety standards.** Please refer the Junior Member Standard document at the following website: http://www.ncdoi.com/OSFM/FireAndRescueCommission/fr_junior_member.asp

First time students at PCC will need to **Complete** a **Student Data Form**. Students that have taken Continuing Education courses here at PCC can fill out the **Registration Form** if they **DO NOT** know their Colleague ID #. If you do not know this number, please contact your training officer.

Students that have not completed the **Certification Application Form** from the Office of State Fire Marshal (OSFM) must do so. The Certification Application Form **MUST** be completed and turned into OSFM before any Certification Credit can be given. The **Certification Application Form** can be found online at: <http://www.ncdoi.com/OSFM/FireAndRescueCommission/Documents/Certification/CertificationApplication.pdf>

Course Times, Dates and/or Instructors are subject to change due to calendar being printed months in advance. Please call to make sure of time and place for training.

IN-SERVICE CALENDAR

Students must be present on the first day to register for the class. Students must be present on the last day of class to take any required test. Students must attend 75% of the class to be eligible for any end of class testing. Once you take the Practical Examination and complete the Written Examination PCC will grade that the test and transmit the PASS/FAIL information to OSFM. The Student MUST PASS the Practical Examination prior to taking the Written Examination. A passing score of 70% will be required on both the Practical Skills Examination and the Written Examination. It will take approximately 90 to 120 days from when the class ended for the scores to be posted on OSFM's website.

Anyone wishing to take any of the Ropes Specialty classes must have completed the Rescue Technician-VMR classes prior to receiving credit for any of the Ropes Specialty courses. Anyone wishing to take any of the Rescue Specialty classes (Confined Space, Trench, Structural Collapse, Surface Water Rescue) must have completed Rescue Technician-VMR and Ropes prior to receiving any credit for these specialty classes.

To register for Blackboard classes go to www.pittcc.edu/ , click on Continuing Education, click on Programs, click on Public Safety, then click on Fire Rescue Training or http://www.pittcc.edu/continuing-education/programs/public_safety_training/fire_rescue/ . From this point you can begin to register for On-Line classes. To take any Blackboard class listed you MUST submit a request for the class that you wish to take by the 20th of the preceding month. This will allow PCC the time needed to enroll you in that class, and to handle any other registration requirements needed.
