The following position is available:*

## **Math Instructor – Curriculum** **Part-time**

---

### **POSITION DESCRIPTION:**

Teaches curriculum mathematics courses – primarily College Algebra. Teaching assignments include lecture classes during the day and/or evening delivered on-campus at PCC. Additional duties include timely completion of required college paperwork, meeting with students as needed, meeting with the department chair as needed and other general college duties. Reports to the Math and Physics Department Chair.

### **EDUCATION REQUIREMENTS:**

Master's degree with 18 graduate hours in mathematics **required**.

### **WORK EXPERIENCE:**

Teaching experience at the community college level or comparable experience in public school, university or workplace preferred.

### **SKILLS:**

The individual should have (1) excellent communication skills, (2) a clear understanding of the community college philosophy and college's mission, (3) experience in working productively with a cross section of college staff and faculty, (4) demonstrated student interaction skills, (5) the ability to work independently with a minimum of supervision, follow College rules and regulations, and meet work deadlines, (6) demonstrated competence in effective leadership, communication, and interpersonal skills.

### **OTHER REQUIREMENTS:**

During the interview process, candidates may be asked to conduct a brief class session.
